### Bedlam Boys

This can also be done in D minor by replacing the D major chords with D minor and the F#m with an F major chord

        D                C  
For to see Mad Tom of Bedlam  
        D        C        D  
Ten thousand miles I've traveled  
        D                C  
Mad Maudlin goes on dirty toes  
        D        C        D  
For to save her shoes from gravel.

#### Chorus:

        D                F#m                C  
Still I sing bonny boys, bonny mad boys  
D        C        D  
Bedlam boys are bonny  
        D                C  
For they all go bare and they live by the air  
        D        C        D  
And they want no drink nor money.

I went down to Satan's kitchen  
For to get me food one morning  
And there I got souls piping hot  
All on the spit a-turning

CH

Me staff has murdered giants  
And me bag a long knife carries  
For to cut mince pies from children's thighs  
With which to feed the fairies

CH

The spirits white as lightning  
Would on me travels guide me

The stars would shake  
And the moon would quake  
Whenever they espied me

CH

And when that I have murdered  
The Man in the Moon to a powder  
His staff I'll break, an' his dog I'll shake  
And there'll howl no demon louder

CH

No gypsy, slut or doxy  
Shall win my mad Tom from me  
I'll weep all night, with stars I'll fight  
The fray shall well become me

CH

For to see Mad Tom of Bedlam  
Ten thousand years I've traveled  
Mad Maudlin goes on dirty toes  
For to save her shoes from gravel.
