

BCRF's Roll Me Over

We've tried it once or twice
And we found it rather nice

Roll me over lay me down and do it again
Roll me over in the clover, roll me over lay me down and do it again

Oh this is number one
And the fun has just begun

Roll me over lay me down and do it again
Roll me over in the clover, roll me over lay me down and do it again

Oh this is number two,
Down in front he's plowin through

Roll me over lay me down and do it again
Roll me over in the clover, roll me over lay me down and do it again

Oh this is number three
And his hand is on me knee

Roll me over lay me down and do it again
Roll me over in the clover, roll me over lay me down and do it again

Oh this is number four
And he's been there twice before

Roll me over lay me down and do it again
Roll me over in the clover, roll me over lay me down and do it again

Oh this is number five
I am shocked he's still alive

Roll me over lay me down and do it again
Roll me over in the clover, roll me over lay me down and do it again

Oh this is number six,
And he's got me doin tricks

Roll me over lay me down and do it again
Roll me over in the clover, roll me over lay me down and do it again

Well this is number seven,
And he took me straight to heaven

Roll me over lay me down and do it again
Roll me over in the clover, roll me over lay me down and do it again

Oh this is number eight,
He bent me o'er the garden gate

Roll me over lay me down and do it again
Roll me over in the clover, roll me over lay me down and do it again

Oh this is number nine,
And the baby's doin fine

Roll me over lay me down and do it again
Roll me over in the clover, roll me over lay me down and do it again

Oh this is number ten,
When he's through we'll do it again

Roll me over lay me down and do it again
Roll me over in the clover, roll me over lay me down and do it again

Oh this is number eleven
and it's just like number seven

Roll me over lay me down and do it again
Roll me over in the clover, roll me over lay me down and do it again

OH
Roll me over in the clover, roll me over lay me down and do it again
