

Health To The Company

Kind friends and companions, come join me in rhyme
Come lift up your voices in chorus with mine
Let us drink and be merry, all grief to refrain
For we may and might never all meet here again

Here's a health to the company and one to my lass
Let us drink and be merry all out of one glass
Let us drink and be merry, all grief to refrain
For we may and might never all meet here again

Here's a health to the wee lass that I love so well
Her style and her beauty, sure none can excel
There's a smile on her countenance as she sits on my knee
Sure there's no one in in this wide world as happy as we

Here's a health to the company and one to my lass
Let us drink and be merry all out of one glass
Let us drink and be merry, all grief to refrain
For we may and might never all meet here again

Our ship lies at harbor, she's ready to dock
I wish it safe landing without any shock
And if ever I should meet you by land or by sea
I will always remember your kindness to me

Here's a health to the company and one to my lass
Let us drink and be merry all out of one glass
Let us drink and be merry, all grief to refrain
For we may and might never all meet here again
